

ADVENTURES of GOD

Sure looks great!

To think we'll be able to reach Heaven and meet God!

That's the power of working together for a common goal!

Uh oh... they're
getting closer

What do you
recommend, sir?

LUCY!! Where
have you been??

Looks like those pesky humans are at your doorstep!

Well, I have just the trick to knock down that silly tower of theirs! And it's called...

The Internet!

An information superhighway
where data travels at lightspeed
and everyone is connected!

But wait... wouldn't that only
bring them closer together?

Just trust me

Behold! God has

YOU'VE GOT MAIL!

gifted us with
the Internet

Now we can
communicate with
each other faster!

Bless Him

Praise the
Lord

Look at those no-builders

How sad

Those builders are insane, Martha!

Why won't those idiots get it?

YOU'RE LITERALLY
LIKE HITLER!

WHO?

I DON'T KNOW,
I'M JUST ANGRY!

BURN. THAT.
TOWER!

BUILD. THAT.
TOWER!

You're welcome.

Dang
